50 LB Cable Ties

These exceptionally durable standard cable ties are reliable solutions that can be used for cable and wire bundling and organization projects around the home, office and more. These extremely durable and versatile standard cable ties are made to easily support up to 50 pounds of cable bundling force. Choose from a wide variety of sizes ranging from 7” to 36” in length, as well as an assortment of colors, including fluorescents to help organize and identify wire bundles. Available in package quantities of either 100 or 1000, these 0.19” wide standard cable ties are made of Nylon 6.6 material and meet UL-94V-2 flammability ratings. Buyheatshrink.com offers a variety of standard cable tie purchasing options. The smallest nominal size offered is 7” with a maximum bundle diameter of 1.9” available in quantities of 100 or 1000. The 7” standard cable ties are available in black or natural color. The 11” standard cable ties provide a maximum bundle diameter of 3.1” and are available in bags of 100 or 1000. These 11” cable ties are available in any of the 15 colors offered, ranging from fluorescents to black. The 14” standard cable ties provide a maximum bundle diameter of 4.0” and are available in bags of 100 or 500. These 14” cable ties are available in any of the 15 colors offered. The 17” standard cable ties provide a maximum bundle diameter of 4.5” and are available in quantities of 100. The 17” cable ties are available in black, natural, blue, red, green, yellow or orange. The 21” standard cable ties provide a maximum bundle diameter of 6.0” and are available in quantities of 100 in black or natural. The 25” standard cable ties provide a maximum bundle diameter of 7.0” and are available in quantities of 100 only in natural color. The largest nominal size offered in the standard cable ties is 36” and has a maximum bundle diameter of 11.0”. The 36” cable tie is offered by quantities of 100, and only comes in natural color.

Features:

- RoHS Compliant
- Material: Nylon 6.6 (Black is weather resistant and UV Stabilized)
- Material Flammability Rating UL94V-2
- Colors Available: Black, Natural, Brown, Red, Orange, Yellow, Green, Blue, Purple, Gray, Fluorescent Green, FL Pink, FL Yellow, FL Orange, FL Blue
- 50 pound Loop Tensile Strength
- 0.19" Wide
