## Epson LW-PX300 Printer

Enjoy a low-cost, and portable wire-marking, bar-code and general-identification label printer. Create custom and compliant labels up to 3/4" (18 mm) wide. Identify important wires and equipment, organize tool cribs and storage bins, tag assets and more. Amazing flexibility and durability at an affordable price. With the LW-PX300, you can print on a variety of materials such as magnetic tape, heat shrink tube and super strong adhesive tape. Best of all, the LW-PX300 is backed by the LABELWORKS PX lifetime warranty.

### **Features:**

- The professional choice — LW-PX300 prints industrial labels, heat shrink tube and magnetic tape from 1/4" (6 mm) to 3/4" (18 mm) wide.
- Less waste and cost — Smaller margins translate to less cost and waste per print.
- Lifetime warranty — No questions asked.
- Multiple print & cut — When printing multiple copies of a label, the printer waits to print the next label in the series until after you press the "cut" key.
- Hotkeys — Pre-formatted bar codes, font size and length, symbols and alpha-numeric sequencing help streamline label creation.
- Specialty labels — Heat shrink tube, magnetic tape, strong adhesive and multiple colors of industrial tape for industrial applications in the facility or field (specialty labels sold separately).
- Compact — Slightly bigger than a mobile phone and weighs less than 1 lb.
- Makes labels for heat shrink tube, magnetic tape, strong adhesive and multiple colors of industrial tape for industrial applications in the facility or field
- Includes: LW-PX300 printer, 212BWPX tape, manual
