Epson LW-PX750 printer

Professionals prefer LABELWORKS PX and the LW-PX750 — a portable label and barcode printer with exclusive time- and cost-saving features for creating custom and compliant labels up to 1" (24 mm) wide. Organize tool cribs, identify storage bins, make safety labels, tag assets and more. With application-specific hotkeys, this easy-to-use label maker offers extraordinary flexibility. Import images and print on the go — the LW-PX750 features Mixed-Length printing for variable-length labels on a single, half-cut strip and Pick-and-Print for faster print-and-apply in the field. With LABELWORKS PX innovative rollback technology, there's less lead margin waste as compared to other brands
