Metal Detectable Cable Ties

Features:

Use Metal Detectable Cable Ties to prevent contamination of goods intended for consumption. Ideal for the food, beverage, pharmaceutical and cosmetic industries, our durable cable ties are laden with trace amounts of metal that allow them to be detected by safety scanners. Secure and organize your product effectively with cable ties while ensuring rigorous safety standards to prevent harmful liability and recall of contaminated product. Metal-Detectable Cable Ties are modeled to be detectable by X-ray scanning equipment, and are only available in one color, making them easy to identify for their intended use.

Dimensions

Part Number	Length	Loop Tensile
CT-MD-04	4"	18LB
CT-MD-07-50	7"	50LB
CT-MD-08-40	8"	40LB
CT-MD-11	11"	50LB
CT-MD-14	14"	50LB
