250 Lb Extreme Heavy Duty Cable Ties

These extremely durable, extra heavy duty cable ties are the solution for the heaviest, most extreme of cable and wire bundling. These cable ties are capable of supporting up to 250 pounds of cable bundling force. With a width of 0.5", these particular cable ties can be order of different nominal lengths and different colors to help accommodate all of your most significant wire bundling projects. These cable ties are RoHS compliant and meet UL94V-2 flammability ratings. Made from the most durable Nylon 6.6 materials, these extra heavy duty lashing ties are not only the strongest of their kind, but they are made easy to install. Simply wrap the cable tie around the desired cables/wires to be bundled, tension the cable, and cut off the remaining tail if desired. Buyheatshrink.com offers these extra heavy duty cable ties in nominal lengths of 22", 34", or 40". The 22" cable ties have a maximum bundle diameter of 6.0" and are available in only black by 100 quantity bags. The 34" cable ties have a maximum bundle of 10.0" and are available in only natural color by bags of 50. And the 40" cable ties have a maximum bundle diameter of 12.0" and are available only in black by 50 quantity bags. Make sure you finish your job with the appropriate cable tie installation tools.

Features:

- RoHS Compliant
- Material: Nylon 6.6 (Black is weather resistant and UV Stabilized)
- Material Flammability Rating UL94V-2
- Colors Available: Black and Natural
- 250 pound Loop Tensile Strength
- 0.5" Wide

Dimensions

Part Number	Length	Bag	Colors Available	Nominal Size	Actual Length	Max bundle Diameter
CT-22-250LB	22"	100 PCS/BAG	Black	22"	22.2"	6.0"
CT-29-250LB	29"	100 PCS/BAG	Black	29"	29.2"	9.0"
CT-34-250LB-NTL	34"	50 PCS/BAG	Natural	34"	34.2"	10.0"
CT-40-250LB-BK	40"	50 PCS/BAG	Black	40"	40.1"	12.0"
