40 LB Cable Ties

Our wide selection of intermediate cable ties offers ideal solutions for a range of medium-duty cable and wire bundling and wire organization (not to exceed 40 pounds of bundling force). These highly reliable and durable intermediate cable ties are available in a wide variety of colors, including fluorescents for quick and easy wire identification and color coding. These intermediate cable ties are stretchable and wear resistant, and are made with the finest Nylon 6.6 material. These intermediate cable ties are also 0.14” wide and come in a variety of different sizes including 6, 8, 11 or 14 inches to help complete your desired job. To use these intermediate cable ties, simply wrap and tension the zip tie, then cut off any excess tail desired in just seconds. The first option of 6” intermediate cable ties provides a maximum bundle diameter of 1.4” and can be purchased in bags of either 100 or 1000. Any of the available 15 colors, which include fluorescent, can be ordered. The 8” intermediate cable ties provide a maximum bundle diameter of 2.4” and can be purchased in bags of either 100 or 1000. Any of the available 15 colors can be ordered. The 11” intermediate cable ties provide a maximum bundle diameter of 3.0” and can be purchased in bags of either 100 or 1000. These 11” cable ties are only available in black or natural color. The 14” intermediate cable ties provide a maximum bundle diameter of 4.0” and can be purchased in bags of either 100 or 1000. These 14” cable ties are only available in black or natural color. Remember that the black intermediate cable ties are weather resistant and UV stabilized making them useful in extended sunlight exposure.

Features:

- RoHS Compliant
- Material: Nylon 6.6 (Black is weather resistant and UV Stabilized)
- Material Flammability Rating UL94V-2
- Colors Available: Black, Natural, Brown, Red, Orange, Yellow, Green, Blue, Purple, Gray, Fluorescent Green, FL Pink, FL Yellow, FL Orange, FL Blue
- 40 pound Loop Tensile Strength
- 0.14" Wide
