Heat Shrink Nyax S/D Bu

Create quick and secure connections for wires with Heat Shrink Nyax S/D Butt Connector. Our Heat Shrink Connectors are made to withstand harsh environments—these butt connectors feature a heat shrink connection that also has an internal sealant. After crimping the terminal onto the wire, simply apply heat to seal.

Features:

- 12-10 (Yellow) To 16-14 (Blue) AWG / 16-14 (Blue) To 22-18 (Red) AW
- Shrink ratio 2:1
- No wire damage due to low shrink temperature

Dimensions

Part Number	MPN	Size
HSCS-SD-NY-1614-2218	40317	16-14 To 22-18 AWG
HSCS-SD-NY-1210-1614	70316	12-10 To 16-14 AWG
